

Instrument Care System

Spray Lube

- Easy to handle 8 oz. spray pump.
- Lubricates instrument box locks, screw locks or any moving parts after cleaning and before autoclaving.

Surgical Instrument Cleaner

For Surgical Instruments, Glassware, Plastic, Metal or Rubber Goods. 8 oz. bottle makes 32 gallons of cleaning solution.

- Free-rinsing (no residue).
- Can be used in ultrasonic and as a presoak.

Instrument Cleaning Brushes

- Brushes are 7.25" long.
- Sturdy nylon bristles are designed to clean hard to reach places without scratching.
- Stainless steel bristles are ideal for cleaning rasps, files and burs. Sold 3 brushes per pkg.
