

RICHMOND™ Sterile Cotton Rolls

Quality—made from pure, soft absorbent cotton. Uncoated with starch or chemicals.

Absorbency—spiral winding allows unique "wicking" action to enhance absorbency, protect against seepage and provide a dryer field.

Patient Comfort—no starchy outer coating that sticks to tender mucosa and causes tissue burn.

Flexible—bends easily to fit buccal curvature and sublingual space without forming stiff, hard wrinkles.

Economic—high absorbency means fewer rolls used when compared to other brands. Field stays dry longer, eliminating need to use roll after roll.

Catalog #	Size	Qty per box	OSE Low Price
2002-020	Large 1.5"	1,000	\$35.95 ea.
2002-030	Large 6"	100	\$17.95 ea.
