

## Mirawhite® Pro Whitening Gel

**NEW!**

**Great for Touch-Ups!**

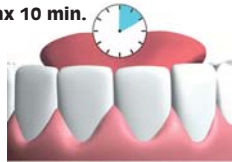

The professional whitening gel that whitens teeth with discoloration caused by natural aging, irregular mineralization, cracked fissures and mechanical damage.

- For professional tooth whitening - up to four shades within seven days
- Safe - used by dentists for bleaching
- Gentle to the enamel
- Handy and slim design, pencil form
- Paint-on applicator brush allows for an exact application to the teeth
- Easy dosage, no running or drying out
- Applied once daily after brushing
- Gel is left on for 8-10 minutes. Then rinse and your ready to go!
- Color chart supplied to help monitor your progress

Max 10 min.

Ingredients: Propylenglycols, polyglycols, 16% carbamide peroxide
