

### Vantage Diamond Coated Super Flexiform Discs

Developed especially for work on the proximal surfaces of metal ceramic bridges. Also extremely useful for work on plastic bridges, due to their very narrow cutting width. Available in H.P. shanks only, and in single or double sided diamond coating. Cutting width is 0.10mm for single sided and 0.17mm for double sided. 7/8" diameter.

0731-031	Single Sided	\$20.95
0731-032	Double Sided	\$26.95

### DENTAURUM Cloth Polishing Brushes

With mandrel for handpiece.

# 0181-100
